Purchaser hereby applies for credit with Cason and understands and agrees that this Agreement does not become effective unless and until Cason approves this Credit Application, which is incorporated into, and becomes part of, the Agreement. Purchaser further understands that nothing herein obligates Cason to approve this Credit Application, and that if the Credit Application is approved Cason has the right not to extend credit to Purchaser at any time, particularly if the account is not paid in full each month.

Purchaser hereby authorizes Cason at any time to make or have made whatever credit investigation it feels is proper to evaluate the credit and personal or financial standing of Purchaser, including but not limited to contacting credit references, and obtaining credit information from credit bureaus or credit reporting agencies. Purchaser also authorizes Cason to share its credit experience with credit bureaus, credit reporting agencies, creditors and others.

Purchaser certifies and declares that all the information in this Credit Application is correct to the best of his/her knowledge. By signing below, the undersigned states that he/she has received a copy of this Agreement and agrees to all terms and conditions contained herein.

Purchaser hereby agrees and promises to pay Cason for all services and materials purchased from Cason, now or in the future, on this account. Purchaser understands that payments are due in full within ten (30) days of the date of Cason’s invoice. Should payments not be made within ten (30) days, the account will be considered past due and in default, and shall accrue finance charges of 18% per annum from the first day the account is past due, until payment is made in full. Purchaser agrees to pay these finance charges. Purchaser also agrees to pay Cason’s reasonable attorneys fees up to 15% of the outstanding balance due on the account in the event that it is necessary for Cason to engage an attorney or attorneys in the collection of sums owed by Purchaser. PERSONAL GUARANTY

To induce Cason to extend credit to _____ (Purchaser), the undersigned individual or individuals each hereby contract and guarantee payment of any indebtedness, presently existing or hereafter arising of Purchaser to Cason, when due, including finance charges which accrue at the rate of 18% per annum. The undersigned guarantor or guarantors each hereby expressly waive all notice of acceptance of this guaranty, notice of extension of credit to Purchaser, presentment, and demand for payment on Purchaser, protest and notice to undersigned guarantor or guarantors of dishonor or default by Purchaser or extension of time of payment to Purchaser, acceptance of partial payment or partial compromise, demand for payment under this guaranty, or any other notice to which the undersigned guarantor or guarantors might otherwise be entitled. With or without notice to the undersigned, and without affecting the liability of the undersigned, Cason may alter, compromise, accelerate, extend or change the time or a manner of payment of any indebtedness, increase or reduce the rate of interest thereon, or add or release any one or more of the undersigned guarantors.

This is a continuing guaranty and shall remain in full force until the undersigned delivers to Cason a written notice revoking such guaranty. Such revocation shall not affect any of the undersigned's obligations hereunder with respect to indebtedness theretofore incurred by the Purchaser.

In the event this account is placed in the hands of an attorney for collection, the undersigned each agree and promise to pay Cason's reasonable attorneys' fees up to 15% of the outstanding balance due on the account. The maximum liability of the undersigned on this guaranty shall not exceed the amount of credit extended, together with finance charges of 18% per annum, legal fees (if placed for collection), court costs and all other costs of collection allowed by law which each of the undersigned agrees to pay.

If it is necessary for Cason to commence proceedings to collect any amounts the undersigned guarantor or guarantors owe under this Agreement, each of the guarantors consents to be subject to the jurisdiction of the courts of the State of South Carolina and further agrees to venue being situated in Greenville County, in addition to any other county in which venue would be proper.

This Agreement is governed by law of the State of South Carolina. This guaranty constitutes the entire agreement and may only be altered by written agreement signed by Cason.

FEDERAL TRADE COMMISSION NOTICE REGARDING PERSONAL GUARANTY

Notice: You are being asked to guarantee the debt incurred on this account. Think carefully before you do. If the borrower doesn't pay the debt, you will have to. This notice is not the contract that makes you liable for the debt.
